Tailor AI may participate in and observe the proceedings at its own cost and expense with counsel of its own choosing. Customer shall not have authority to settle, and shall not settle, any Claim that results in Tailor AI's obligation, liability, and/or admission of liability without Tailor AI's prior written consent.

18. Governing Law and Disputes

18.1 Governing Law

All claims arising out of or relating to these Terms or the Services (including any Dispute regarding the interpretation or performance of these Terms) will be governed by the laws of the State of California, USA, excluding California's conflicts of laws rules.

18.2 Informal Dispute Resolution; Arbitration

In the event of any dispute, controversy or claim (each, a "**Dispute**") between the parties hereto arising out of or relating to these Terms, the parties shall first seek to resolve the Dispute in good faith through informal discussion. If you have a concern, please send a written description of it to legal@tailorhq.ai. If such Dispute cannot be resolved informally within a period of sixty (60) days from the date on which we received your email, the parties agree that it shall be settled by binding arbitration.

18.3 Arbitration Rules

The parties expressly agree that the arbitration will be administered by JAMS and resolved before a single arbitrator. If JAMS is not available to arbitrate, the parties will select an alternative arbitration provider. Unless otherwise agreed in writing between the parties, JAMS will administer the arbitration in accordance with the JAMS Streamlined Arbitration Rules and Procedures for claims that do not exceed \$250,000 and the JAMS Comprehensive Arbitration Rules and Procedures for claims exceeding \$250,000, in each case applying the rules and procedures in effect at the time the arbitration is initiated, excluding any rules or procedures governing or permitting class or representative actions. The applicable JAMS rules and procedures are available at

<https://www.jamsadr.com/adr-rules-procedures/> or by calling JAMS at (800) 352-5267. To the extent permissible under applicable law and JAMS rules, you and Tailor AI shall each bear our own costs and expenses and an equal share of the arbitrators' and administrative fees in arbitration. Unless otherwise prohibited by law, any arbitration will be confidential and closed to any parties other than you and Tailor AI (and each of our authorized representatives and agents). All arbitration records will be permanently sealed, except as necessary to obtain court relief in connection with any such proceeding.

18.4 Initiating Arbitration

A party who desires to initiate arbitration must deliver to JAMS and the other party a demand for arbitration which satisfies the following requirements: (1) the name, telephone number, mailing address, and email address of the party seeking arbitration; (2) a statement of the legal claims being asserted and the factual bases of those claims; (3) a description of the remedy sought and a good-faith calculation of the amount in controversy (requests for injunctive relief or attorneys' fees shall not count toward the calculation of the amount in controversy unless such injunctive relief seeks the payment of money); (4) the party's original signature; and (5) the party's portion of the applicable filing fee. If the party seeking arbitration is represented by counsel, the demand for arbitration must also include counsel's name, firm, telephone number, mailing address, email address, and original signature. If Customer is initiating arbitration, hard-copy service of the demand to Tailor AI shall be made in accordance with JAMS's rules and procedures to the following address: 24 Bayport Ct, San Carlos, CA 94070, and a copy of the same shall also be emailed to legal@tailorhq.ai. If Tailor AI is initiating arbitration, it will serve a copy of the demand to the email address associated with the Customer Account.

18.5 Exceptions

Notwithstanding the parties' decision to resolve all Disputes through arbitration, each party retains the right to (i) elect to have any claim resolved in small claims court on an individual basis for Disputes within the scope of such court's jurisdiction; (ii) bring an action in state or federal court to protect its intellectual property rights ("intellectual property rights" means patents, copyrights, moral rights, trademarks, and trade secrets and other confidential or proprietary information, but not privacy or publicity rights); and (iii) seek a declaratory judgment, injunction, or other equitable relief in a court of competent jurisdiction regarding whether a party's claims are time-barred or may be brought in small claims court.

18.6 Jurisdiction and Venue

The Parties agree to submit to the personal jurisdiction of any federal or state court in San Francisco County, California, for all matters not submitted to arbitration, in order to compel arbitration, to stay proceedings pending arbitration, or to confirm, modify, vacate, or enter judgment on the award entered by the arbitrator; and in connection with any such proceeding, further agree to accept service of process by U.S. mail and hereby waive any and all jurisdictional and venue defenses otherwise available. The arbitration shall be conducted in San Francisco County, California, or, if the parties agree, remotely by video or telephone conference.

18.7 Arbitrator's Decision

The arbitrator will have the authority to award monetary damages on an individual basis and to grant, on an individual basis, any non-monetary remedy or relief available to an individual to the extent

available under applicable law, the arbitral forum's rules, and these Terms. Attorneys' fees will be available to the prevailing party in the arbitration only if authorized under the substantive law governing the claims or if imposed by the arbitrator as a sanction for (i) any frivolous claims or submissions the arbitrator determines have not been filed in good faith; or (b) a party's failure to comply with this Section.

18.8 Class Action Waiver

TO THE MAXIMUM EXTENT PERMITTED BY LAW, EACH PARTY AGREES THAT CLAIMS MUST BE BROUGHT ONLY IN AN INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, COLLECTIVE, CONSOLIDATED, OR REPRESENTATIVE PROCEEDING.

18.9 Jury Trial Waiver

IF FOR ANY REASON A DISPUTE PROCEEDS IN COURT RATHER THAN THROUGH ARBITRATION, YOU AND TAILOR AI AGREE THAT THERE WILL NOT BE A JURY TRIAL. YOU AND TAILOR AI UNCONDITIONALLY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM IN ANY WAY ARISING OUT OF OR RELATING TO THESE TERMS OR USE OF THE SERVICES.
